

Western Regional Network (WRN) Policy Committee Meeting

Friday, March 16, 2012
888-886-3951, Participant code: 601024

- WRN call at Noon MDT on Friday, 3/23/12, to touch base on status of ARI and new WRN members
- Hold 4/2/12 for a face to face meeting until after our call next week to see if any conditions change
- Gil will send out a summary of ARI project components and status
- Dave will send out a resolution for email vote on the WRN commitment to fund the ongoing maintenance of the I2 Denver to Chicago 10G waves (5 of them)
