

WPC Meeting Minutes - 05/14/18

Attendees: Paul Chang, Marla Marla, Steve Perry, Dave Reese, Pete Siemsen, Garrett Yoshimi, Chris Zane, Amy Philipson (joined late)

Absent: Robert Aylward, Lois Fox, Ron Johnson

Action Items:

1. *Have added Denver 100G ESnet WRN peering - Pete will send graphs
2. *Dave will send updated cost model for 7/1/18 - 6/30/19 with I2 costs updated
 1. Cost model
 1. WRN Membership works as it is
 2. Don't plan to add any new members directly
 3. CENIC is going to create a LLC to bring states/RENs in to CENIC
 1. No governance board
 2. LLC sits within CENIC
 3. Leverage CENIC infrastructure
 4. Advisory Committee - not Board
 5. Oregon, Nevada, Arizona, Utah possible
 1. I40 build possible to connect Arizona and backup New Mexico
 4. No cost changes this year
 1. I2 the same
 2. I2 has not charged yet for maintenance
 3. Looking at grant funding perfSONAR boxes
 4. We send all our data to NetSage
 1. Hope to see data soon
 2. Dave will check if WRN pipes overall are doing OK
 1. El Paso path is seeing some spikes with TACC and GPN additions for PWAVE international access
 3. *Have added Denver 100G ESnet WRN peering - Pete will send graphs
 5. Propose to keep the cost model the same for this year and monitor changes through the year and adjust cost model as needed
 1. The smaller entities benefit from the consortium, and there are a lot of indirect benefits
 6. *Dave will send updated cost model for 7/1/18 - 6/30/19 with I2 costs updated
 2. Technical update
 1. Working towards routed network
